Alignment of the safe drawer in the housing

Drawer is preset in factory. Adjusting the slides can affect the function of the safe!

Emergency Power via Backup Battery

For use in emergency situations only. During loss of electricity unclip the battery connector and attach the supplied 9V battery, keeping it outside of your EverydaySafe at all times until power is restored.

Installing the App

1

Chubbsafes

Download the app:
Chubbsafes

App Store

Chubbsafes

Download the app:
Chubbsafes

2

Start the app
and create
account.

3

Fingerprint
scanner

Place your finger on the fingerprint
scanner. Don't push, just place.

4

5

6

Scan the QR code and follow the instruction.

Installing the App

Place your fingertip on the fingerprint sensor lightly.

Go to scan your fingerprint and follow the instruction.

Return to factory setting

To reset all data,

Open the drawer 

To perform a factory reset go to the "Settings" menu in the APP
